Shanghai Disney Resort to Expand Iconic Soaring Over the Horizon Attraction

Approximately fifty percent increase in current capacity will offer more guests the chance to soar like an eagle in a magical journey of discovery which finishes with a special new ending

Shanghai, September 23, 2025 – Shanghai Disney Resort continues to expand with ongoing development of exciting new experiences and offerings to provide innovative ways to bring even more magic and surprises to its guests. As part of these efforts, the resort will expand Shanghai Disneyland’s iconic attraction, *Soaring Over the Horizon*, to significantly increase the daily capacity for one of the theme park’s most popular attractions. As a special surprise, once completed, guests will encounter a brand-new scene at the end of their aerial journey. The attraction will remain open during the expansion phase.

FOR IMMEDIATE RELEASE

Located in the theme park's Adventure Isle, since its premiere to the world in 2016, *Soaring Over the Horizon* has captivated millions of guests with breathtaking and sensational aerial adventures featuring scenic wonders and landmarks from across the globe. The attraction's expansion plan marks another example of the continuous development of Shanghai Disney Resort.

"The passion and enthusiasm that our guests and fans have shared for Shanghai Disney Resort continue to inspire us to explore innovative ways for more guests to experience our most popular attractions," said Andrew Bolstein, President and General Manager of Shanghai Disney Resort. "*Soaring Over the Horizon* is an iconic family-friendly attraction that has delighted millions of guests of all ages since opening. We are very excited to welcome even more guests to embark on this magical ride in the near future and to encourage our seasoned fans to return and experience its new ending."

FOR IMMEDIATE RELEASE

Featuring an original story, *Soaring Over the Horizon* takes guests on a magical flight across the globe, offering an immersive experience to guests like never before. With guest experience being a top priority, the expansion will see an approximately 50% increase on the current attraction capacity so more guests can take flight on aerial tours around the globe.

Soaring Over the Horizon is a family-friendly attraction offering guests of all ages an unforgettable experience. While guests will continue to take off from Adventure Isle and fly over some of the world's most iconic landmarks and natural destinations, including the magnificent Great Wall in Beijing and the spectacular city skyline view of Shanghai, the updated attraction also includes a surprise transformation, concluding the special aerial journey with a new destination at Shanghai Disney Resort along with some other magical surprises.

Since opening, the strong popularity of the many innovative attractions and entertainment experiences at Shanghai Disney Resort underscored the growing demand from guests and fans for the quality family entertainment. Through unique storytelling and creativity, the resort delivers a diverse range of experiences and offerings - from beloved seasonal celebrations held throughout the year to fresh adventures inspired by Disney stories, including the recently opened Pixar Adventurous Journey and the Stitch Space Base.

With an unwavering commitment to delivering world-class experiences and creating lifelong memories for all guests, Shanghai Disney Resort continues to advance through major developments and expansions. The resort's current major expansion projects also include a new Spider-Man-themed land, the ninth themed land of its theme park, and a third themed hotel, with the construction of both projects well underway. In addition, a new residential community for the resort's cast members is also under construction, further supporting its frontline cast members and interns who create the memorable Disney magic experienced by guests at Shanghai Disney Resort.
