Shanghai, February 26, 2026 – Today, on the 10th day of the Chinese New Year, Shanghai Disney Resort unveiled a new wave of magic with the announcement of its upcoming 10th Birthday Celebration, “**With You, It's Magic+**”. Commemorating the resort’s extraordinary milestone as the first Disney Resort in the Chinese mainland, the immersive calendar of magic will kick off on March 20, 2026, International Happiness Day, elevating ten years of enchantment and joy into a new chapter. Starting this spring, a fun-filled grand celebration will unfold throughout the year across Shanghai Disneyland, the resort’s two themed hotels, Disneytown and beyond, inviting guests from near and far to join a milestone moment in the making.

“For nearly a decade since its grand opening, Shanghai Disney Resort has continued to push the boundaries of imagination, delivering enchanting experiences that bring Disney storytelling and creativity into every moment and spread the magic to guests of all ages worldwide. This overwhelming success would not have been possible without our incredible cast members, our wonderful partners, and of course—the guests who not only inspire us to keep innovating but are an essential part of that very magic,” said Andrew Bolstein, President and General Manager of Shanghai Disney Resort. “To celebrate this 10-year milestone, our amazing cast members have spent the past two years pouring their hearts and energy into preparing a spectacular celebration, and we can’t wait to create even more magic alongside our guests in the year ahead.”

Unveiled on December 31, 2025, the resort’s official new logo and theme set the stage for the yearlong celebration, “With You, It’s Magic+”, which encapsulates everything the resort aspires to share with guests and fans alike. The celebration is a heartfelt tribute to everyone who has created and continues to share the magic alongside the resort. This spirit comes vividly to life, symbolizing a place where millions of dreams have come true and cherished memories linger from the past decade. Throughout the celebration, “With You, It’s Magic+” will weave through every touchpoint across the resort, from grand entertainment to delightful details, extending a warm invitation for all to share the magic together.

Three new breathtaking and reimagined entertainment experiences bring guests even closer to the magic

Beloved by guests and cherished for creating unforgettable memories, iconic Disney entertainment experiences are being taken to new heights for the 10th Birthday: grander in scale, more dazzling in spectacle, and filled with even more ways for guests to step closer into the story. Among the incredible program of shows and entertainment, three new breathtaking and reimagined experiences will take center stage, surrounding guests with fantastic sights, enchanting sounds and more magical moments together.

- **All-new epic entertainment show *The Heart of Magic* debuts on an enhanced Castle Stage area, featuring new Disney characters, exclusive looks, and classic Disney melodies**

Created especially for the 10th Birthday Celebration, *The Heart of Magic* makes its spectacular debut on the enhanced Enchanted Storybook Castle stage, which now includes three brand-new satellite stages and connecting bridges that bring guests closer to the magic for a fully immersive experience. The four-chapter production

begins with Mickey and Friends setting off on a quest to restore the Heart of Magic in a magical realm hidden beneath the Enchanted Storybook Castle. Along the way, they are joined by a line-up of beloved Disney characters from nine fan-favorite Walt Disney Animation Studios' and Pixar Animation Studios' films—*Cinderella*, *Winnie the Pooh*, *Tangled*, *Mulan*, *Hercules*, *Frozen*, *Toy Story*, *Coco*, and *Turning Red*—each taking the stage to bring their stories vividly to life. Among them, Hercules will make his Shanghai Disneyland debut in the show, while rarely-seen Miguel will step out into his first major park role. With dazzling couture designed exclusively for the show, visually stunning sets, timeless Disney tunes, and compelling storytelling, *The Heart of Magic* invites guests of all ages to immerse themselves in the extraordinary entertainment experience and discover the true heart of magic at Disney together.

- **Delightful *FriendSHIP! The Duffy and Friends' Special Pre-Parade* and wild *Zootopia* parade unit ignite *Mickey's Storybook Express***

As the home to a world of magical experiences from the beloved Duffy and Friends and the wild Zootopia series, Shanghai Disney Resort has become a must-visit destination for fans to experience their favorite stories and characters like never before. Now, the resort is giving guests even more to look forward to in newly upgraded segments of Mickey's Storybook Express that are set to ignite the parade with even more magic.

Sailing through the parade route ahead of the iconic Mickey's Storybook Express is the adorable new *FriendSHIP! The Duffy and Friends' Special Pre-Parade*. Featuring a sparkling golden ship-like design adorned with playful waves and charming details like a mounted telescope, the all-new float sets the tone for the parade with the joy, warmth, and togetherness that define the friends and their stories. All seven friends will ride aboard in colorful new celebratory attire, and selected guests will join and follow the parade to become a key part of the magic themselves.

An all-new Zootopia unit will join Mickey's Storybook Express, inviting everyone to get aboard superstar Gazelle's concert bus for an epic party! Led by the dynamic duo Judy Hopps and Nick Wilde, the party shifts into high gear with a squad of wild Zootopia dancers and a cast of Zootopia residents bouncing and twirling to the infectious beats played by Zootopia resident DJ, Officer Clawhauser. All around the bus, a vibrant troupe of Zootopia residents will cheer wildly: Gary De'Snake twists in knots, new Zootopia mayor Brian Winddancer is leaning confidently out of the bus, and the cute Mr. Big family, plus many more, join the fun as energy soars with infectious performances of "Try Everything" from *Zootopia*, and "Zoo" from *Zootopia 2*.

- Dazzling nighttime spectacular *Illuminate! A Nighttime Celebration* lights up the castle with a magical finale and brand-new *Wish* segment

Presented on the world's largest and tallest Disney castle, the iconic nighttime spectacular—*Illuminate! A Nighttime Celebration*—has been reimagined with a new birthday-exclusive grand finale, “Magic Together: A Special 10th Birthday Celebration.” Seamlessly weaving together classic Disney stories with jaw-dropping visuals and stunning sound, the enhanced show honors the milestone with even more magic and wonder. Mickey will appear in a flash of sparkles in front of the castle, wearing his majestic 10th Birthday magician ensemble, to greet guests and invite everyone to celebrate Shanghai Disneyland's 10th Birthday together. With a musical flourish, Mickey casts magic over the castle and across the Gardens of Imagination, transforming the space into a festive look as fountains dance, lasers play and fireworks ignite the sky. Through additional effects in the Gardens of Imagination and on the castle, guests are immersed in moments of Disney magic like never before and invited to relive the joy, the wonder, and the heart that a visit to Shanghai Disneyland evokes. Adding to the enchantment, the updated show will also introduce a new segment inspired by Walt Disney Animation Studios' *Wish* featuring Star, Asha and the inspirational lyrics to the song “This Wish.”

Alongside these three exciting performances, an all-new Star Squad shines in starry celebratory outfits, sprinkling extra 10th Birthday magic into other seasonal shows and performances throughout the year. Kicking things off in spring, energetic dancers will invite guests to join in the fun everywhere, starting moments before the *FriendSHIP! The Duffy and Friends' Special Pre-Parade*, then for summer's fun watery moments with Chip 'n' Dale at Gardens of Imagination, autumn's playful spook-tacular cavalcade, the Winter Royal Ball's Disney Princesses and Princes encounters, and the lively Zootopia Street Party during Chinese New Year.
